Subject: International Experience Canada (IEC) Conditional Acceptance Letter (CAL).

Dear 名前

IEC has assessed your application and is pleased to confirm that you are conditionally accepted to the IEC initiative for 2015.

WTN Number

This letter does not authorize you to enter Canada. To continue with the application process, you must submit a work permit application online through MyCIC before the expiry date of this conditional acceptance letter (CAL). This conditional acceptance letter expires on

次のステップに進むまでの締切日 (年 / 月 / 日)

To create your MyCIC account, visit the website of Citizenship and Immigration Canada (CIC) [http://www.cic.gc.ca/english/my\\_application/apply\\_online.asp?d=1&q=n](http://www.cic.gc.ca/english/my_application/apply_online.asp?d=1&q=n)

Based on your answers, CIC will provide you with a checklist of all the documents you need to submit with your work permit application. One of these documents will be this IEC Conditional Acceptance Letter.

For the second stage of this process, you must submit a complete work permit application via MyCIC before the expiry of your CAL or else your application will be refused.

If, for some reason you are unable to provide some of the requested documents, please upload, in the allocated portal, an explanation letter advising CIC when you expect to receive the document that you are currently missing. For example, if you are waiting for a police certificate, upload an explanation letter as your police certificate, in the allocated portal, or else your application will be refused.

Please note that, in some cases, a Police certificate will be required. To find out more about how to obtain a police certificate, go to: <http://www.cic.gc.ca/english/information/security/police-cert/intro.asp>

If your work permit application is approved, you will receive a Port of Entry (POE) Letter of Introduction (form IMM 5665) in your MyCIC account. You need this letter to enter Canada.

We strongly recommend that you do not book or pay for any travel to Canada, buy health-care insurance for your stay in Canada or make any commitments to employers, landlords or roommates before you receive your POE Letter of Introduction.
